*Turnaround times begin at the time the last image and/or ECG is received by CardioVet or the request generation time, whichever comes latter.

**ECG screenings are simple interpretations intended to confirm normal or abnormal heart activity in your patient.

*** Only full consults will include a detailed interpretation.

**** All repeat ECG's will be done at 8 hour turnaround times. If results are need at a faster service level, then the additional STAT or Super STAT fee will be added in addition to the repeat ECG fee.

Limited to one discounted recheck. Repeat ECG within 24 hours, no charge.
